See attached. I found some tiny issues – one typo and a few formatting inconsistencies (capitalizing “federal” and italicizing *et seq.*). Also not sure why only one of the deadlines was in bold. Otherwise looking great!

Subject: RE: 44RNO-16-R9: Final Draft Resolution Agreement

Good morning/afternoon!!

It was a good thing you got in touch today because it reminded me – my office is moving into a new building and for some unknown reason the telephones are moving today, but we don't physically move until the 22nd. Go figure..... The internet could also go out at any time. If all goes as planned (LOL) we will be up and running in the new building on the 23rd and things should go back to normal – whatever that is :)

Yes, the footnote belongs after HRS section 149A-26(b) – this is because the citation above (HRS section 149A-26, (Supp. 2018)) is a direct quote from the statute. The footnote directs the reader to where the actual annual reporting language is located because I paraphrased the statute.

The link to HRS section 149A-26 includes subsection (b).

The (Supp. 2018) designation indicates to the reader that the information comes from the printed supplement (issued yearly) to the bound volume (last printed in 2011) – so if you wanted to look up the statute in the actual book form HRS, the citation would not be found in the bound volume, but will be in the printed supplement (the statute will remain in the supplement until a new volume is printed).

I hope this makes sense. Let me know if you have any more questions – hopefully I will be able to get back to you before the 23rd!!

Subject: 44RNO-16-R9: Final Draft Resolution Agreement

Thank you for providing your final edits for the draft resolution. As we are concluding this stage of review and preparing the document for signatures, ECRCO is unsure of one of your comments (listed below) which is highlighted on the redline and clean copies that are attached. Please let us know if the location of the footnote is correct.

"Page 3

Under II C: middle of the page, the citation to "H.R.S. §149A-26 (Supp. 2018)", add a space between "§" and "149A-26" so it reads "H.R.S. § 149A-26 (Supp. 2018)"

Move foot note 7 up to the end of the above referenced citation ("H.R.S. § 149A-26 (Supp. 2018)"). The link for foot note 7 is to the entire section 149A-26. In the foot note where it is now only subsection (b) is referenced."

Again, thank you for all of your assistance in drafting this resolution agreement. The next submission of this resolution agreement will be the final document presented for authorization.
